Join your class on YAWP!

You'll write your essay on **yawp.school**. Joining takes about a minute, and you don't need an email address.

1. Open the **join link** your teacher gives you, or scan the **QR code** on the board.
2. Type your **display name**: your real name, the way your teacher should see it.
3. Choose a **handle**: it's how you log in. 3 to 30 characters: letters, numbers, dots, underscores and hyphens.
4. Choose a **password** and type it twice.
5. Click **Join class.** Already have a YAWP! account? Log in from the same page instead.

You're in

- Your class is on your **dashboard.** Open it to see your assignments.
- Start the **Thesis-Driven Essay.** That creates your document.
- The **Tutor** on the left guides you through each step. Next class, open the same document: don't make a new one.
